*Home Bar & Kitchen is a vibrant bar & restaurant specialising in house-infused spirits & cocktails crafted and created by a team of mixologists. The infusions are created in a lab kitchen and go through a variety of processes which allows the alcohol to infuse with various botanicals, plants, fruits & spices, thereby creating a unique flavour. Each infusion is bespoke to Home Bar & Kitchen and each cocktail unique in its ingredients.*

*Home Bar & Kitchen also serves a wide range of craft beers which are regularly rotated to offer our clientele the opportunity to taste the latest varieties. With the latest cellar technology and beer taps we ensure that all of our draught is poured exactly as the brewer intends ensuring the end product is 100% authentic, including our own Home lager brew made in our cellar in Marylebone.*

*For wine lovers we have grape varieties to suit every palate and a list that caters for everyone. To top it all off and soak up some of that liquor we make some fantastic food. British cuisine with an Italian twist, vegetarian & vegan dishes available plus mouth-watering specials created by our resident chef Alex Junex.*

*A discretionary 12.5% service charge will be added to your bill*
